The Summer Institute is hosted by the Wisconsin Educational Services Program for the Deaf and Hard of Hearing (WESP-DHH) Outreach. We welcome professionals working with students who are deaf, hard of hearing, or deafblind to register for these specialized workshops. The topics include:

-Universal Design for Learning (UDL)

-ASL Skill Building

-Mental Health

-Technology

Are you working with students who are deafblind? The Wisconsin Deaf-Blind Technical Assistance Project is hosting the annual “Tips and Tools” training on July 30-31. Check their website at www.wdbtap.wi.gov/events-training.
